

Cookie Policy

The Website of Repinsky Resort, limited liability company (hereinafter referred to as Repinsky Resort, LLC), located on the Internet at: <https://repinospa.ru/> (hereinafter referred to as the Website), shall use cookies and similar techniques in order to guarantee maximum convenience for all Users, promptly providing personalized information.

The Website shall use cookies to obtain statistics about the Users' visits to the Website in order to improve the Website's services and ensure maximum convenience for the Users when visiting the Website's web pages.

This Cookie Policy provides the Users with information about the types of cookies the Website uses and the purposes for which they are used.

User Consent

By remaining on the Website, the User confirms their consent to the use of cookies in accordance with this Agreement in relation to this type of files. If the User does not agree with the Website using this type of files, the User should change their browser settings accordingly or stop using the Website.

We also inform you that if you disable cookies support, your user experience on the Website of Repinsky Resort, LLC may change. **The User's use of the tools of Repinsky Resort, LLC, as well as continued visiting of the Website, will be regarded by Repinsky Resort, LLC as unconditional confirmation that the User has read, understood and accepted all the terms and conditions hereof, has no objections and will adhere to and comply with them in full.**

Information about Cookies

When viewing any page of the Website, the web page itself is downloaded to the User's computer, as well as small text files known as cookies. Cookies are small text files, which often contain a unique anonymous identifier sent to the User's browser by the Website and stored on the User's hard drive.

Therefore, it is with cookies that websites are able to remember actions and preferences (e.g., language, font size, etc.) of the Users in order to identify them the next time they visit the web page and respond accordingly.

We use the cookies in order to improve performance and collect analytics.

The information that this Website receives through cookies helps Repinsky Resort, LLC provide services in the most convenient format and also enables Repinsky Resort, LLC to build a profile of its potential customers. Cookies provide the Users with a personalized website experience and ease of navigation, helping track the most visited web pages and determine the effectiveness of advertising and Internet searches. Cookies also help the User avoid losing data from completed application forms when refreshing the Website page.

Our Own Cookies and Third-Party Cookies

Our website uses both our own cookies and third-party cookies. Own cookies are cookies that are placed by the Website visited by the User and that are processed exclusively for the purpose of improving the operation of the Website.

Third-party cookies are cookies that are placed on a domain other than the domain of the Website visited by the User. If another entity places cookies through the Website visited by the User, such cookies are third-party cookies. With such files, Repinsky Resort, LLC is able to collect information that allows it to improve the functionality and effectiveness of the Website and make it more convenient for visitors.

The Website shall use two types of cookies, i.e., persistent and session cookies. Session cookies store data only while the User is on the Website and they are deleted after the User signs out. Persistent cookies store data so that it is available and used for more than one session.

Types of Used Cookies

The Website at **<https://repinospa.ru/>** shall use various types of cookies, i.e.:

1. Strictly necessary cookies. These cookies are necessary for the Website to function appropriately; they help the Users navigate the Website and use its features. These files do not identify the User as an individual. If the User does not agree to use this type of files, this may affect the performance of the Website or its components.

2. Performance cookies (collecting information about how you use websites). All data collected through them is for statistical purposes and remains anonymized. Such files help us understand how the Users interact with the Website by providing information about the sections they visited and the amount of time they spent on the Website. In addition, they testify problems in the operation of the Internet resource, e.g., with error messages, thus helping improve the Website's performance. All collected and analyzed data is completely anonymized.

3. Functional cookies (collecting and remembering information about the User's choices on the Website). The information provided by functional cookies does not identify the User nor track the User's actions on websites unrelated to the Website of Repinsky Resort, LLC. These cookies are used to recognize the Users returning to the Website. They help to render the Website's content to be tailor-made for the Users. If the User blocks this type of files, this may affect the performance and functionality of the Website and, therefore, may limit access to the Website's content.

Cookies Management

The User can delete files from the hard drive of their device at any time. However, if the User chooses to block all cookies (including strictly necessary ones), the User will not be able to access the Website or parts thereof, or the display of its pages will be limited or incorrect. If the User has any questions about how the Website of Repinsky Resort, LLC uses cookies, they can contact Repinsky Resort, LLC by email at marketing@repinospa.ru.

For more information on how Repinsky Resort, LLC ensures the privacy of the Website's visitors, the User can read the Data Processing and Protection Policy of Repinsky Resort, Limited Liability Company, at **<https://repinospa.ru/>**.

If the User has configured their device to completely block the acceptance of cookies, they can still visit the Website anonymously until they wish to use one of the Website's services. Please mind that if cookies are completely disabled, some personalized services cannot be provided to the User and that the User who has selected such settings will not be able to gain full access to all sections of the Website.

Third-Party Cookies

The Website does not control how the Users use third-party cookies, therefore, when using such cookies, the Users should contact the relevant third party's website for more information.

When visiting a web page with content inserted from other websites, such websites may create their own cookies in the User's browser. The Website does not control the use of such cookies and cannot access them due to the nature of how cookies work; only the party that originally created them has access to them. The User should find more detailed information about these cookies on third-party websites by themselves.

Final Provisions

By accessing the Website, the User agrees to the terms and conditions hereof each time he/she visits the Website from any device. Any changes made to the terms and conditions hereof will be published on the Website. Repinsky Resort, LLC reserves the right to amend the terms and conditions hereof, either in whole or in part. Any and all changes and supplements will come into effect from the moment they are published on the Website.

Continued use of the Website shall confirm the User's consent to all of such amendments.
